Suresh Babu B

QA Lead | AI-Driven Quality Engineering | Web & Mobile Automation

suresh.babu@bitlasoft.com 9035586485 Linkedin Portfolio Github Bangalore

SUMMARY

QA Lead with 7+ years of experience in Quality Assurance and Software Testing, specializing in **Web & Mobile Testing, Automation Engineering, API Testing, and AI-Driven Quality Engineering**. Experienced in **leading QA teams, defining test strategies, and managing end-to-end quality delivery**. Hands-on expertise in **Flutter, Patrol, Playwright, Selenium, Appium, Python, PyTest, and Postman**. Actively leveraging **Generative AI and LLMs** to enhance test case generation, failure analysis, root cause investigation, and intelligent QA reporting. Passionate about driving innovation and transforming traditional QA practices into **AI-powered Quality Engineering**.

SKILLS

- **QA & Testing:** Manual Testing, Functional Testing, Regression Testing, Integration Testing, Smoke Testing, Sanity Testing, Test Strategy, Test Planning.
- **Automation:** Flutter, Patrol, Playwright, Selenium, Appium, Python, Dart, PyTest, TestNG, Page Object Model (POM).
- **AI & Generative AI:** Artificial Intelligence (AI), Generative AI, Large Language Models (LLMs), AI-Assisted Testing, ChatGPT, Claude, Gemini, AI-Based Test Generation, Failure Analysis.
- **API & Database:** REST API Testing, Postman, API Automation, MySQL, MongoDB, Backend Validation.

Tools & Technologies: JIRA, Git, Jenkins, Docker, Android Studio, VS Code, BrowserStack, LambdaTest, Perfecto.

- **Process & Leadership:** QA Team Leadership, Agile Scrum, SDLC, STLC, Sprint Planning, Defect Management, Release Management, CI/CD.

PROFESSIONAL EXPERIENCE

QA Lead | Bitla Software Pvt. Ltd. 01/2024 | Bangalore

- **QA Leadership:** Lead QA team operations, sprint planning, task allocation, backlog management, and end-to-end quality delivery.
- **QA Strategy:** Drive testing strategies across Web, Mobile, API, and Flutter-based applications.
- **Automation Frameworks:** Design Flutter automation frameworks using **Patrol, Dart, Riverpod, and POM**, and desktop automation using **Playwright**.
- **AI-Driven Quality Engineering:** Integrate Generative AI and LLM-based approaches for test case generation, automation failure analysis, root cause investigation, and intelligent HTML reporting.
- **Testing & API Validation:** Oversee functional, regression, integration, and release testing, along with API testing using **Postman** and database validation using **MySQL and MongoDB**.
- **CI/CD & Process Improvement:** Drive automation improvements, CI/CD integration, test execution efficiency, and quality reporting.
- **Team & Release Management:** Mentor QA engineers, collaborate with cross-functional teams, manage release risks, and provide QA sign-offs.

Senior QA Engineer | Bitla Software Pvt. Ltd. 09/2021 – 12/2023 | Bangalore

- Owned end-to-end testing of complex Web and Mobile application features.
- Designed and executed **functional, regression, integration, API, and compatibility testing**.
- Developed and maintained automation scripts using **Selenium, Appium, Python, and PyTest**.
- Performed API testing using **Postman** and backend data validation using SQL.
- Investigated complex defects, performed root cause analysis, and managed defect lifecycles.
- Coordinated with development teams for defect resolution and release validation.
- Supported regression planning, automation improvements, and mentoring junior QA engineers.

QA Engineer | Bitla Software Pvt. Ltd. 09/2019 – 08/2021 | Bangalore

- Executed **functional, smoke, sanity, and regression testing** for Web and Mobile applications.
- Prepared test scenarios, test cases, and test data based on business requirements.
- Identified, documented, and tracked defects using **JIRA**.
- Performed cross-device, cross-platform, and end-to-end application testing.
- Validated **booking workflows, payment integrations, and business-critical functionalities**.
- Collaborated with developers and team members to ensure timely defect resolution.
- Participated in **Agile Scrum ceremonies** and release testing activities.

AWARDS & ACHIEVEMENTS

Best Performance – High Quality Delivery Team: Recognized for outstanding contribution to software quality and high-quality delivery.

Hackathon – Runner-Up: Recognized for innovation, problem-solving, and technical contribution.

Bug Fest – Runner-Up: Recognized for defect identification, analytical skills, and testing excellence.

EDUCATION

Master of Computer Applications (MCA), *Sri Venkateswara University, Tirupati, Andhra Pradesh*

Bachelor of Science (B.Sc.) – Computer Science, *Sri Venkateswara University, Tirupati, Andhra Pradesh*
